- Pediatric dental exclusions; and
- Pediatric dental limitations.

	General exclusions and limitations
1	This plan only covers services that are Medically Necessary. A Physician or other Health Care Provider's decision to prescribe, order, recommend, or approve a service or supply does not, in itself, make it Medically Necessary.
2	Routine physical examinations solely for: • Immunizations and vaccinations, by any mode of administration, for the purpose of travel; or • Licensure, employment, insurance, court order, parole, or probation. This exclusion does not apply to services deemed Medically Necessary Treatment of a Mental Health or Substance Use Disorder.

4	Routine foot care items and services that are not Medically Necessary, including: • Callus treatment; • Corn paring or excision; • Toenail trimming; • Over-the-counter shoe inserts or arch supports; or • Any type of massage procedure on the foot. This exclusion does not apply to items or services provided through a Participating Hospice Agency or covered under the diabetes care Benefit.
5	Home services, hospitalization, or confinement in a health facility primarily for rest, custodial care, or domiciliary care. Custodial care is assistance with Activities of Daily Living furnished in the home primarily for supervisory care or supportive services, or in a facility primarily to provide room and board. Domiciliary care is a supervised living arrangement in a home-like environment for adults who are unable to live alone because of age-related impairments or physical, mental, or visual disabilities.
6	Continuous Nursing Services, private duty nursing, or nursing shift care, except as provided through a Participating Hospice Agency.

	General exclusions and limitations
7	Prescription and non-prescription oral food and nutritional supplements. This exclusion does not apply to services listed in the *Home infusion and injectable medication services* and *PKU formulas and special food products* sections of the Evidence of Coverage, or as provided through a Participating Hospice Agency. This exclusion does not apply to services deemed Medically Necessary Treatment of a Mental Health or Substance Use Disorder.
8	Hearing aids, hearing aid examinations for the appropriate type of hearing aid, fitting, and hearing aid recheck appointments. The Hearing Aid Coverage for Children Program (HACCP) offers state-funded hearing aid coverage to eligible children and youth, ages 0-20. To learn more and apply, visit www.dhcs.ca.gov/HACCP.
9	For Members 19 years of age and older: eye exams and refractions, lenses and frames for eyeglasses, lens options, treatments, and contact lenses, except as listed under the *Prosthetic equipment and devices* section of the Evidence of Coverage. An initial orthodontic exam (D0140), called the Limited Oral Evaluation, must be conducted. This exam includes completion and submission of the completed Handicapping Labio-Lingual Deviation (HLD) Score Sheet with the Specialty Referral Request Form. The HLD Score Sheet is the preliminary measurement tool used in determining if the Member qualifies for Medically Necessary orthodontic services.
	
	Orthodontic procedures are covered only when the diagnostic casts verify a minimum score of 26 points on the HLD Index California Modification Score Sheet Form, DC016 (06/09), one of the six automatic qualifying conditions below exist; or when there is written documentation of a craniofacial anomaly from a credentialed specialist on his or her professional letterhead.

Prepayment fees

Your Employer is responsible for a monthly payment to Blue Shield for health care coverage for the Subscriber and any enrolled Dependents. This monthly payment is a Premium. Any amount the Subscriber must contribute to the Premium is set by your Employer.

The contract states the monthly Premiums for this plan for the Subscriber and any enrolled Dependents.

Other charges

Your Cost Share is the amount you pay for Covered Services. It is your portion of the Blue Shield Allowable Amount.

Your Cost Share includes any:

- Deductible;
- Copayment amount; and
- Coinsurance amount.

Allowable Amount

The Allowable Amount is the maximum amount Blue Shield will pay for Covered Services, or the provider's billed charge for those Covered Services, whichever is less. Blue Shield's payment to the provider is the difference between the Allowable Amount and your Cost Share.

Participating Providers agree to accept the Allowable Amount as payment in full for Covered Services, except as stated in the Exception for other coverage and Reductions – third party liability sections of the Evidence of Coverage. When you see a Participating Provider, you are responsible for your Cost Share.Generally, Blue Shield will pay its portion of the Allowable Amount and you will pay your Cost Share. If there is a payment dispute between Blue Shield and a Participating Provider over Covered Services you receive, the Participating Provider must resolve that dispute with Blue Shield. You are not required to pay for Blue Shield's portion of the Allowable Amount. You are only required to pay your Cost Share for those services.

Non-Participating Providers do not agree to accept the Allowable Amount as payment in full for Covered Services. When you see a Non-Participating Provider, you are responsible for:

- Your Cost Share; and
- All charges over the Allowable Amount.

Calendar Year Deductible

The Deductible is the amount you pay each Calendar Year for Covered Services before Blue Shield begins payment. Blue Shield will pay for some Covered Services before you meet your Deductible.

Amounts you pay toward your Deductible count toward your Out-of-Pocket Maximum.

Some plans do not have a Deductible. For plans that do, there may be separate Deductibles for:

- An individual Member and an entire Family;
- Participating Providers and Non-Participating Providers; and
- Medical and pharmacy Benefits.

If you have a Family plan, there is an individual Deductible within the Family Deductible. This means an individual family member can meet the individual Deductible before the entire Family meets the Family Deductible.

If you have an individual plan and you enroll a Dependent, your plan will become a Family plan. Any amount you have paid toward the Deductible for your individual plan will be applied to both the individual Deductible and the Family Deductible for your new plan.

See the Summary of Benefits for details on which Covered Services are subject to the Deductible and how the Deductible works for your plan.

Prior carrier Deductible credit

If you pay all or part of a Deductible for another Employer-sponsored health plan in the same Calendar Year you enroll in this plan, that amount will be applied to this plan's Deductible if:

- You were enrolled in an Employer-sponsored health plan with another carrier during the same Calendar Year this contract becomes effective and you enroll as of the original effective date of coverage under this contract;
- You were enrolled in another Blue Shield plan sponsored by the same Employer which this plan is replacing; or
- You were enrolled in another Blue Shield plan sponsored by the same Employer and you are transferring to this plan during open enrollment.

Copayment and Coinsurance

A Covered Service may have a Copayment or a Coinsurance. A Copayment is a specific dollar amount you pay for a Covered Service. A Coinsurance is a percentage of the Allowable Amount you pay for a Covered Service.

Your provider will ask you to pay your Copayment or Coinsurance at the time of service. For Covered Services that are subject to your plan's Deductible, you are also responsible for all costs up to the Allowable Amount until you reach your Deductible.

You will continue to pay the Copayment or Coinsurance for each Covered Service you receive until you reach your Out-of-Pocket Maximum.

Calendar Year Out-of-Pocket Maximum

The Out-of-Pocket Maximum is the most you are required to pay in Cost Share for Covered Services in a Calendar Year. Your Cost Share includes Deductible, Copayment, and Coinsurance and these amounts count toward your Out-of-Pocket Maximum, except as listed below. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year. If you want information about your Out-of-Pocket Maximum, you can call Customer Service.

Some plans may have a separate Out-of-Pocket Maximum for:

- An individual Member and an entire Family;
- Participating Providers and Non-Participating Providers; and
- Participating Providers and combined Participating and Non-Participating Providers.

If you have a Family plan, there is an individual Out-of-Pocket Maximum within the Family Out-of-Pocket Maximum. This means an individual family member can meet the individual Out-of-Pocket Maximum before the entire Family meets the Family Out-of-Pocket Maximum.

If you have an individual plan and you enroll a Dependent, your plan will become a Family plan. Any amount you have paid toward the Out-of-Pocket Maximum for your individual plan will be applied to both the individual Out-of-Pocket Maximum and the Family Out-of-Pocket Maximum for your new plan.

The following do not count toward your Out-of-Pocket Maximum:

- Charges for services that are not covered; and
- Charges over the Allowable Amount.

You will continue to be responsible for these costs even after you reach your Out-of-Pocket Maximum.

See the Summary of Benefits section of the Evidence of Coverage for details on how the Out-of-Pocket Maximum works for your plan.

Accrual balance

Blue Shield provides a summary of your accrual balances toward your Calendar Year Deductible, if any, and Out-of-Pocket Maximum for every month in which your Benefits were used until the full amount has been met. This summary will be mailed to you unless you opt to receive it electronically or have already opted out of paper mailings. You can opt back in to receive paper mailings at any time or elect to receive your balance summary electronically by logging into your member portal online and updating your communication preferences, or by calling Customer Service at the number on the back of your ID card. You can also check your accrual balances at any time by logging into your member portal online, which is updated daily, or calling Customer Service. Your accrual balance information is updated once a claim is received and processed and may not reflect recent services.

Ratio of health care services

For Blue Shield small group health plans in 2017, the ratio of the value of health services provided to the amount Blue Shield collected in premiums was 77.5%, which means that for each dollar of premiums it collected, Blue Shield paid $0.775 for health care services. This ratio was calculated after provider discounts were applied.

Continuity of care

Continuity of care may be available if:

- Blue Shield or the MHSA no longer contracts with your Former Participating Provider for the services you are receiving; or
- You are a newly-covered Member whose previous health plan was withdrawn from the market.

Continuity of care may also be available to you when your Employer terminates its contract with Blue Shield and contracts with a new health plan (insurer) that does not include your Blue Shield Participating Provider in its network.

If your Former Participating Provider is no longer available to you for one of the reasons noted above, Blue Shield or the MHSA will notify you of the option to continue treatment with your Former Participating Provider.

You can request to continue treatment with your Former Participating Provider in the situations described above if you are currently receiving the following care:

Continuity of care with a Former Participating Provider

Qualifying conditions	***Timeframe***
Undergoing a course of institutional or inpatient care	90 days from the date of receipt of notice of the termination of the Former Participating Provider's contract, the Employer's contract, or until the treatment concludes, whichever is sooner
Acute conditions	As long as the condition lasts
Maternal mental health condition	12 months after the condition's diagnosis or 12 months after the end of the pregnancy, whichever is later
Ongoing pregnancy care, including care immediately after giving birth	Up to 12 months
Recommended surgery or procedure documented to occur within 180 days	Within 180 days
Ongoing treatment for a child up to 36 months old	Up to 12 months
Serious chronic condition	Up to 12 months
Terminal illness	The duration of the terminal illness

If a condition falls within a qualifying condition under federal and state law, the more generous time frames would be followed.

To request continuity of care, visit blueshieldca.com and fill out the Continuity of Care Application. Blue Shield will confirm your eligibility and may review your request for Medical Necessity.

Under Federal law, the Former Participating Provider must accept Blue Shield's or the MHSA's Allowable Amount as payment in full for the first 90 days of your ongoing care.

Once the provider accepts and your request is authorized, you may continue to see the Former Participating Provider at the Participating Provider Cost Share.

Care outside of California

If you need medical care while traveling outside of California, you're covered. Blue Shield has relationships with health plans in other states, Puerto Rico, and the U.S. Virgin Islands through the BlueCard® Program. The Blue Cross Blue Shield Association can help you access care from providers in those geographic areas.

See the *Out-of-area services* section of the Evidence of Coverage for more information about receiving care while outside of California. To find participating providers while outside of California, visit **bcbs.com**.

Renewal provisions

Blue Shield will offer to renew the Group Health Service Contract except in the following instances:

- Non-payment of dues (see the *When coverage ends* section of the Evidence of Coverage);
- Fraud, misrepresentations, or omissions;
- Failure to comply with Blue Shield's applicable eligibility, participation, or contribution rules;
- Termination of plan type by Blue Shield;
- Employer relocates outside of California;
- Employer is an association and association membership ceases; or
- Employer purchases coverage through CCSB and the Employer is no longer eligible to purchase coverage through CCSB.

All group contracts will renew subject to the above.

Termination of Benefits

Your coverage will end if:

- Your Employer cancels or does not renew coverage;
- The Subscriber cancels coverage; or
- Blue Shield cancels or rescinds coverage.

Please refer to the Evidence of Coverage for additional information.

If your Employer cancels coverage

Your Employer may cancel coverage at any time. To cancel coverage, your Employer must provide written notice to Blue Shield and its Employees.

If the Subscriber cancels coverage

If the Subscriber decides to cancel coverage, coverage will end at 11:59 p.m. Pacific Time on a date determined by your Employer.

Reinstatement

If the Subscriber voluntarily cancels coverage, the Subscriber can contact the Employer for reinstatement options.

If Blue Shield cancels coverage

Blue Shield can cancel coverage if:

- You are no longer eligible for coverage in this plan;
- Your Employer fails to meet Blue Shield's Employer eligibility, participation, and contribution requirements;
- Blue Shield terminates this plan; or
- You or your Employer commit fraud or intentional misrepresentation of material fact.

Blue Shield will provide 30 days' advance written notice of cancellation of coverage to your Employer if your Employer fails to meet Blue Shield's Employer eligibility, participation, and contribution requirements. It is your Employer's responsibility to provide a copy of the notice to its Employees.

Cancellation for Subscriber's nonpayment of Premiums

Blue Shield can cancel your coverage if your Employer does not pay the required Premiums in full and on time. Your Employer is responsible for all Premiums during the term of coverage, including the 30-day grace period.

If Blue Shield cancels coverage due to nonpayment of Premiums, Blue Shield will send the Notice of End of Coverage to you and your Employer no later than five calendar days aftre the date coverage ends.

Cancellation or rescission for fraud or intentional misrepresentation of material fact

Blue Shield may cancel or rescind your coverage if you, your Dependent, or your Employer commit fraud or intentional misrepresentation of material fact. Blue Shield will send the Notice of Cancellation, Rescission or Nonrenewal to your Employer prior to any rescission. Your Employer must provide you with a copy of the Notice of Cancellation, Rescission or Nonrenewal. Rescission voids the Contract as if it never existed. Cancellation is effective on the date specified in the Notice of Cancellation, Recission or Nonrenewal and the Notice of End of Coverage.

Choice of Physicians and providers

This plan covers care from Participating Providers and Non-Participating Providers. You do not need a referral. However, some services do require prior authorization.

Participating Providers

Participating Providers have a contract with Blue Shield and agree to accept Blue Shield's Allowable Amount as payment in full for Covered Services. As a result, your Cost Share is less when you receive Covered Services from a Participating Provider.

Some services will not be covered unless you receive them from a Participating Provider. See the Summary of Benefits section of the Evidence of Coverage to find out which Covered Services must be received from a Participating Provider.

If a provider leaves this plan's network, the status of the provider will change from Participating to Non-Participating.

Non-Participating Providers

Non-Participating Providers do not have a contract with Blue Shield to accept Blue Shield's Allowable Amount as payment in full for Covered Services. Except for Emergency Services, services received at a Participating Provider facility (Hospital, Ambulatory Surgery Center, laboratory, radiology center, imaging center, or certain other outpatient settings) under certain conditions, and services provided by a 988 center, Mobile Crisis Team, or other provider of Behavioral Health Crisis Services, you will pay more for Covered Services from a Non-Participating Provider.

Non-Participating Providers at a Participating Provider facility

When you receive care at a Participating Provider facility, some Covered Services may be provided by a Non-Participating Provider. Your Cost Share will be the same as the amount due to a Participating Provider under similar circumstances, and you will not be responsible for additional charges above the Allowable Amount, unless the Non-Participating Provider provides you written notice of what they may charge and you consent to those terms.

If you cannot find a Participating Provider

Call Customer Service if you need help finding a Participating Provider who can provide the care you need close to home. If a Participating Provider is not available, you can ask to see a Non-Participating Provider at the Participating Provider Cost Share. If the services cannot reasonably be obtained from a Participating Provider, we will approve your request and you will only be responsible for the Participating Provider Cost Share.

Second medical opinion

You can consult a Participating or Non-Participating Provider for a second medical opinion in situations including but not limited to:

- You have questions about the reasonableness or necessity of the treatment plan;
- There are different treatment options for your medical condition;
- Your diagnosis is unclear;
- Your condition has not improved after completing the prescribed course of treatment;
- You need additional information before deciding on a treatment plan; or
- You have questions about your diagnosis or treatment plan.

You do not need prior authorization from Blue Shield or your PCP for a second medical opinion.

Emergency Services

If you have a medical emergency, ***call 911 or seek immediate medical attention*** at the nearest hospital.

The Benefits of this plan will be provided anywhere in the world for treatment of an Emergency Medical Condition. Emergency Services are covered at the Participating Provider Cost Share, even if you receive treatment from a Non-Participating Provider.

After you receive care, Blue Shield will review your claim for Emergency Services to determine if your condition was in fact an Emergency Medical Condition. If you did not require Emergency Services and did not reasonably believe an emergency existed, you will be responsible for the Participating or Non-Participating Provider Cost Share for that non-emergency Covered Service.

For the lowest out-of-pocket expenses, you can go to a Participating Physician's office for emergency room follow-up services, such as suture removal and wound checks.

Reimbursement provisions

When you receive health care services, a claim must be submitted to request payment for Covered Services. A claim must be submitted even if you have not yet met your Deductible. Blue Shield uses claims information to track dollar amounts that count toward your Deductible.

When you see a Participating Provider, your provider submits the claim to Blue Shield. When you see a Non-Participating Provider, you must submit the claim to Blue Shield or the Benefit Administrator.

Claim forms are available at blueshieldca.com or by contacting the Benefit Administrator. Please submit your claim form and medical records within one year of the service date.

Blue Shield or the Benefit Administrator will process your claim within 30 business days of receipt if it is not missing any required information. If your claim is missing any required information, you or your provider will be notified and asked to submit the missing information. Blue Shield cannot process your claim until we receive the missing information.

Once your claim is processed, you will receive an explanation of your Benefits. For each service, the explanation will list your Cost Share and the payment made by Blue Shield or the Benefit Administrator to the provider.

When you receive Covered Services from a Non-Participating Provider, Blue Shield or the Benefit Administrator may send the payment to the Subscriber, or directly to the Non-Participating Provider.

The Subscriber must make sure ***the Non-Participating Provider*** receives the ***full billed amount*** for non-emergency services, whether or not Blue Shield makes payment to the Non-Participating Provider.
