Section 1: Introduction

This directory provides a list of in-network providers.

To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory, however, some services may require a referral. Covered plan services for specialist care do not require a referral. For more information about referrals, please refer to your *Evidence of Coverage (EOC)* for details.

You have the flexibility to receive care from out-of-network providers if the services are covered benefits and medically necessary. Although you are not required to receive care from in-network providers, your share of the cost for covered services could be lower when using in-network providers.

Out-of-network providers/non-contracted providers are under no obligation to treat Blue Shield Select (PPO) members, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our customer service at **(800) 776-4466**, 8 a.m. to 8 p.m., seven days a week. TTY users should call **711**. You may also refer to your *Evidence of Coverage (EOC)* for more information, including the cost-sharing that applies to out-of-network services.

If you receive a bill from any out-network provider for covered services, please do not pay it. Instead, please send it to us at the following address and we will pay the covered amount, minus any applicable copayment/coinsurance amount(s):

Blue Shield of California Medicare Customer Service
P.O. Box 927
Woodland Hills, CA 91365

You can also call our customer service at (800) 776-4466, 8 a.m. to 8 p.m., seven days a week. TTY users should call 711.

If you need care in an emergency, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room. You do not need to get permission first from your physician or other network provider.

A medical emergency is when you believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting much worse.

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention;
- within 30 days for routine or preventative care.

Make sure that Blue Shield knows about your emergency because your physician will need to be involved in following up on your emergency care.

You or someone else should call to tell your physician about your emergency care as soon as possible, preferably within 48 hours. The number to call is located on your plan ID card.

If you need medical help immediately but your health is not in serious danger, the help you need is called “urgently needed services”. You may go to any urgent care facility listed in this directory if your network provider is unavailable or inaccessible.

If you are treated for a condition that meets the definition of urgently needed services while you are outside the plan service area, we recommend that you return to the service area to get follow-up care through your POC. However, we will cover follow-up care that you get from out-network providers outside the plan service area as long as the care you are receiving meets the definition of “urgently needed services.”

With the exception of emergencies, it may cost more to get care from out-of-network providers.

What is the service area for my plan?

This plan’s service area is listed below:

Sección 1: Introducción

Este directorio incluye una lista de los proveedores de la red.

Para obtener información detallada sobre su cobertura de atención de la salud, lea su *Evidencia de Cobertura (EOC, por sus siglas en inglés)*.

Los proveedores de la red que se incluyen en este directorio han aceptado brindarle servicios de atención de la salud. Usted puede ir a cualquiera de nuestros proveedores de la red que esté incluido en este directorio, pero es posible que necesite una referencia para obtener algunos servicios. No es necesario obtener una referencia para recibir atención de especialistas que brinden servicios cubiertos por el plan. Para ver más detalles sobre las referencias, lea su *Evidencia de Cobertura (EOC)*.

Usted tiene la flexibilidad de recibir atención de proveedores fuera de la red si los servicios corresponden a beneficios cubiertos y son médicamente necesarios. Aunque no es necesario que reciba atención de proveedores de la red, su parte del costo por los servicios cubiertos podría ser más baja si usa proveedores de la red.

Los proveedores que están fuera de la red o que no están contratados no tienen la obligación de tratar a los miembros de Blue Shield Select (PPO), excepto en situaciones de emergencia. Para saber si cubriremos un servicio fuera de la red, le recomendamos que, antes de recibir el servicio, usted o su proveedor nos pidan una determinación de la organización previa al servicio. Comuníquese con servicio al cliente llamando al **(800) 776-4466**, de 8:00 a. m. a 8:00 p. m., cualquier día de la semana. Los usuarios del sistema TTY deben llamar al **711**. También puede leer su *Evidencia de Cobertura (EOC)* para obtener más información, incluido el costo compartido que corresponde para los servicios fuera de la red.

Si recibe una factura de cualquier proveedor fuera de la red por servicios cubiertos, no la pague. Envíenos la factura a la siguiente dirección y nosotros pagaremos la cantidad cubierta, menos las cantidades de copago o coseguro que correspondan:

Blue Shield of California Medicare Customer Service
P.O. Box 927
Woodland Hills, CA 91365

También puede comunicarse con servicio al cliente llamando al (800) 776-4466, de 8:00 a. m. a 8:00 p. m., cualquier día de la semana. Los usuarios del sistema TTY deben llamar al 711.

Si necesita atención en una emergencia, obtenga ayuda médica lo más rápido posible. Llame al 911 para recibir ayuda o vaya a la sala de emergencias más cercana. No necesita obtener primero el permiso de su médico ni de otro proveedor de la red.

Hay una emergencia médica cuando usted cree que tiene síntomas médicos que requieren atención médica inmediata para evitar la muerte, la pérdida de un miembro o la pérdida de las funciones de un miembro. Los síntomas médicos pueden incluir una enfermedad, una lesión, dolor muy fuerte o un problema médico que empeora rápidamente.

Debemos brindarle acceso a los servicios de atención primaria y de salud de la conducta dentro de los siguientes plazos:

- De manera inmediata para los servicios urgentemente necesarios o de emergencia.
- Dentro de los 7 días cuando usted necesite atención médica, pero los servicios no sean urgentemente necesarios ni de emergencia.
- Dentro de los 30 días para la atención de rutina o preventiva.

Asegúrese de que Blue Shield sepa sobre su emergencia, ya que será necesario que su médico haga un seguimiento de su atención de emergencia.

Usted u otra persona deben llamar a su médico para avisarle sobre su atención de emergencia cuanto antes; en lo posible, dentro de las 48 horas. El número al que hay que llamar está en su tarjeta de identificación del plan.

Si necesita ayuda médica inmediata, pero su salud no está en grave peligro, esa ayuda se llama "servicios urgentemente necesarios". Si no puede tener acceso a su proveedor de la red o si su proveedor de la red no está disponible, puede ir a cualquier centro de atención urgente que esté incluido en este directorio.

Si tiene un problema de salud para el que se necesitan servicios urgentemente necesarios y recibe tratamiento mientras está fuera del área de servicio del plan, le recomendamos que vuelva al área de servicio para que su médico elegido (POC, por sus siglas en inglés) le brinde atención de seguimiento. De todas maneras, cubriremos la atención de seguimiento que reciba de los proveedores que están fuera de la red y fuera del área de servicio del plan, siempre y cuando la atención recibida cumpla con la definición de "servicios urgentemente necesarios".

Excepto en los casos de emergencia, puede ser más caro obtener atención de proveedores fuera de la red.

¿Cuál es el área de servicio de mi plan?

A continuación, se incluye el área de servicio de este plan.

Condado de Alameda

Section 2: List of Network Providers

Some hospitals participate in an independent quality program. Hospitals identified with the symbol ① participate in the Leapfrog Group, an independent California program that works to implement three key practices that have been shown to improve patient safety. Leapfrog hospitals

1) do computer checks on prescriptions to avoid drug interactions; 2) have a full-time physician specialist on staff in all intensive care units; and 3) perform high-risk surgical procedures, such as heart surgery, only when certain quality criteria are met.

Physicians who are not accepting new patients are noted with an asterisk (*). You may choose a Physician in this category only if you are currently a patient of that physician or changing to a new physician group where that physician is also a part of.

Plan pharmacies are not listed in this directory. You may request a list of these facilities by calling our customer service or by going to blueshieldca.com/medpharmacy2024.

Sección 2: Lista de proveedores de la red

Algunos hospitales participan en un programa de calidad independiente. Los hospitales identificados con el símbolo ① participan en el programa de California **Leapfrog Group**, un programa independiente que busca implementar tres prácticas claves que se ha demostrado que mejoran la seguridad del paciente. Los hospitales que participan en el programa Leapfrog: 1) controlan las recetas por computadora para evitar la interacción entre medicamentos, 2) cuentan con un médico especialista de tiempo completo en el personal de todas las unidades de cuidado intensivo y 3) hacen procedimientos quirúrgicos de alto riesgo, como cirugías de corazón, solo cuando se cumple con ciertos criterios de calidad.

Los médicos que no aceptan nuevos pacientes se indican con un asterisco (*). Puede elegir a un médico de esta categoría solamente si es paciente actual de ese médico o si se cambia a un nuevo grupo médico del que ese médico también forma parte.

Las farmacias del plan no se incluyen en este directorio. Para pedir una lista de estas farmacias, llame a servicio al cliente o visite blueshieldca.com/medpharmacy2024.
