Blue Shield of California has contracted with OTC Health Solutions to provide the over-the-counter (OTC) items benefit offering. Please use this catalog to look up the items you want to order. To place an order, follow the step-by-step instructions listed below on how to order online or by phone. Please visit [blueshieldca.com/medicareOTC](https://blueshieldca.com/medicareOTC) for additional information on OTC items benefit details.

**If you are enrolled in one of the following Blue Shield of California plans, you have the OTC items benefit available:**

- Blue Shield Inspire (HMO D-SNP) - in San Joaquin, Merced, and Stanislaus Counties
- Blue Shield Select (PPO) - in Alameda, Orange, and San Diego Counties
- Blue Shield 65 Plus (HMO) - in San Luis Obispo, Santa Barbara, Kern, and San Diego Counties
- Blue Shield 65 Plus Choice Plan (HMO) - in San Bernardino and Riverside Counties

- Blue Shield TotalDual Plan (HMO D-SNP) - in Los Angeles, Orange, San Bernardino, and San Diego Counties
- Blue Shield Medicare (PPO) - select group plans; refer to your Evidence of Coverage to determine if you have this benefit

This is not a prescription drug benefit or prescription drug coverage under Medicare Part B or Part D. Please see your plan documents to verify prescription drug benefits or coverage, as applicable.

There are items or products in this catalog that may be covered for you under Medicare Part B or Part D. When an item is covered by Part B or Part D due to your particular circumstances, you would not use your OTC items benefit to obtain the product because it is covered by Medicare and not a part of your OTC items benefit.

In the event that something you order is out of stock, an item of similar or greater value may be substituted. If a product is recalled by the manufacturer for any reason, it will be removed from the product offering.

Items, quantities, and sizes may change depending on availability from the manufacturer. Items costs may change from year to year. Items may be added or removed at any time without notice.

# Two convenient ways to place an order.

---

## #1 – Place an order online

How to place an order online:

1. Log in to your Blue Shield member account online at [blueshieldca.com/medicareOTC](https://blueshieldca.com/medicareOTC).
2. Under *Quick links*, select *Save on over-the-counter items*, then click *Continue* in the pop-up window.
3. Create an OTC items account
  - If it is your first time placing an order online, you will need to create an account. Choose the *Create Account* button and follow the instructions.
    - You will need your **member ID number, date of birth, ZIP code, and current email address**.

**Important note:** When entering your Blue Shield member ID number, only include the numeric values. For example, if your member ID number is ABC123456789, you will enter only "123456789." You will also need to create a password.

- Each member creating an account needs to have a separate email address. If a member shares an email address with a spouse or caregiver who also has an account, they will only be able to register one account.
  - Remember to save your password for future orders. You will need your member ID number or email address along with your password to sign in again.
  - If you forget your password, choose the *Forgot Password?* button to create a new one.
4. Place an order
    - Once you sign in, your benefit amount and balance will be displayed at the top of the page.
    - Browse through the available products and add the items you need to your basket. Your order total will automatically deduct from your balance.
    - Once you are ready to place your order, click on *Checkout*.
    - On the Checkout page, you will need to confirm that the shipping address shown is correct. Review the order one last time to make sure everything is correct. Then select *Place Order*. It should arrive within 7 business days.
    - You will be directed to the Order Summary. This page will show you the order number, shipping address, the date the order was processed, and the delivery timeframe.
    - When your order has shipped, you will receive an email with tracking information. You will receive another when your order has shipped and a final email when your order has been delivered.
    - Please review the order frequency limits located in the FAQs to avoid missing benefit funds.

Reminder: Orders for each benefit period must be placed by 8:59 p.m. Pacific time on the last day of the period.

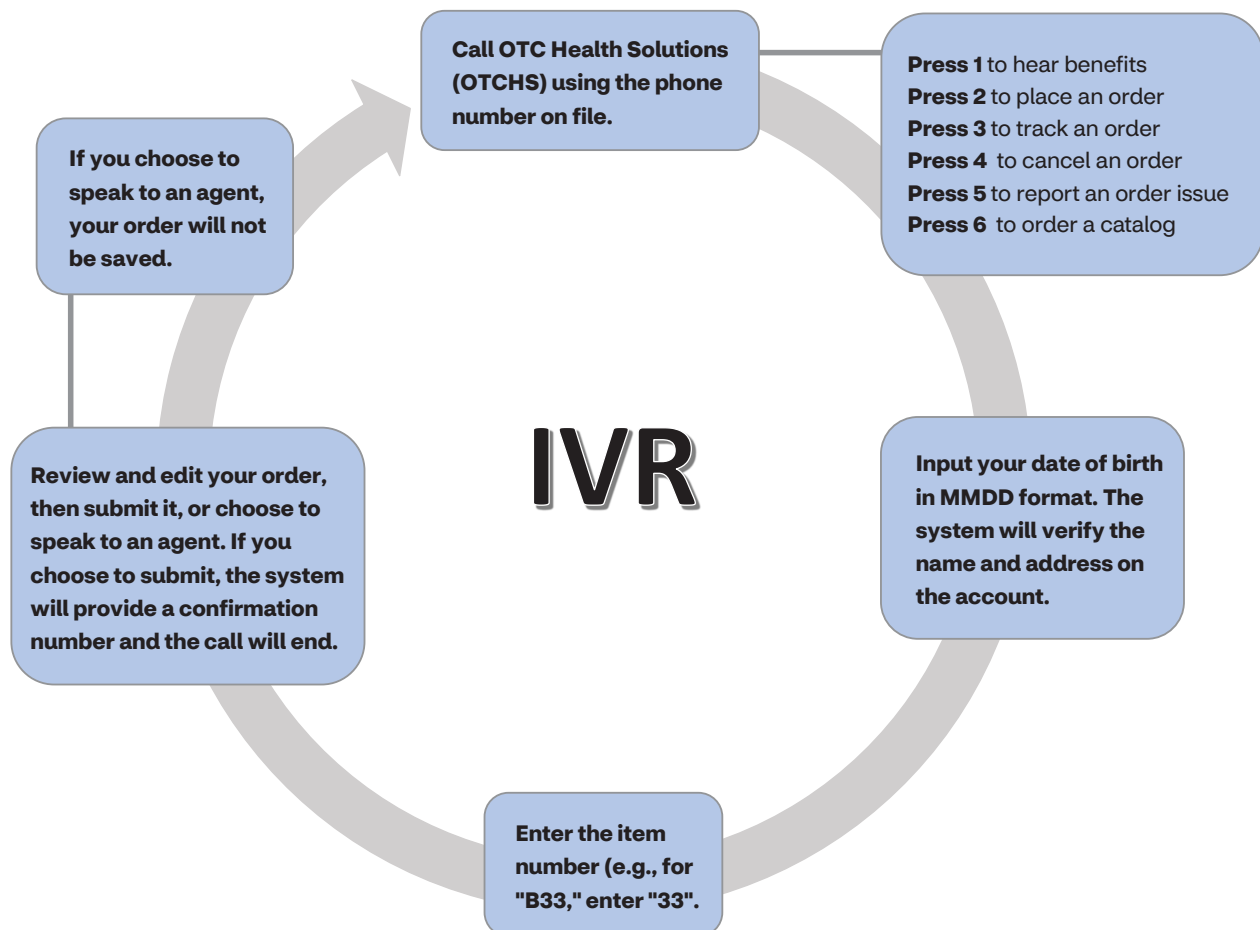

**Return policy:** Due to the personal nature of the products, no returns or exchanges are allowed. If you have not received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order. If your item is not in stock, an item of similar or greater value may be substituted.

## #2 By Phone:

Orders can be placed by calling **(888) 628-2770 (TTY: 711)**. You can talk to an agent Monday to Friday, from 9 AM to 8 PM pacific time. Please have your order ready before you call.

How to place an order through the Interactive Voice Response (IVR) system:

- Call using the phone number on file. The phone number on file is provided to OTCHS by your health plan. If you wish to use a different number to order, you can provide the alternative number to an OTCHS agent so it can be added to your account. Once the system locates your account, you will be asked to input your date of birth in MMDD format.
- Please enter the number of the item code. For example, if you want to order item "B33" you will enter "33" and wait for the system to repeat the item and ask if the selection is correct. Please let the system finish the prompt before you make your selection.
- Once the order is complete, you will have the choice to review and edit the items in the cart, submit the order, or speak to an agent. Should you choose to speak to an agent, your items will not be saved, and you will have to restart your order.

**Return policy:** Due to the personal nature of the products, no returns or exchanges are allowed. If you have not received your order or if you received a defective or damaged item, please call OTC Health Solutions within 30 days of placing your order. If your item is not in stock, an item of similar or greater value may be substituted.
