

Primary Care Pay-for-Value Hybrid Payment Model

Procedure codes covered by Per Member Per Month Payments

This document provides a list of procedure codes in numeric order that are covered in the per member per month payment (PMPM). Codes not listed will be paid fee-for-service (FFS) including codes for procedures requiring prior authorization and injectable medications covered by Section 1375.8 of the California Health and Safety code (commonly referred to as the Richman Bill). Please email the Primary Care Reimagined Inbox (primarycarereimagined@blueshieldca.com) if you have any questions.

This document will be updated annually.

This document does not modify and may not be used to assert the modification of any contractual obligation. This document is not intended as medical advice or a definitive source for coding claims. Health care providers assume full responsibility for how to use this information. Providers should submit claims using the most appropriate code(s) based upon the medical record documentation and coding guidelines and reference materials. Nothing in this document guarantees that the service or treatment is a covered benefit. Regardless of benefits, the final decision about any service or treatment is between the member and their health care provider. Any efficiencies generated through this program are to result from care coordination and/or elimination of unnecessary expenses. Blue Shield of California disclaims any and all liability for any direct, indirect, implied, punitive, special, incidental or other consequential damages arising directly or indirectly from any use of this document, which is provided as is and without warranties.
