

Request for amendment of protected health information

Use this form to request amendment of your protected health information ("PHI") or a record about you that Blue Shield of California maintains in a designated record set.

A designated record set is a group of records maintained by or for Blue Shield of California, including enrollment, payment, claims adjudication, case or medical management records, or other information we use to make decisions about you.

We may decline your amendment request for certain reasons, including, for example, that the information is not part of a designated record set, we did not create the information, or we believe that the information is complete and accurate. We will notify you in writing as to whether your request has been granted or denied.

Please note that we do not maintain medical records. You should contact your healthcare provider or facility to request amendments to your medical records.
