ALL PLAN LETTER 22-011
SUPERSEDES ALL PLAN LETTER 20-013

TO: ALL MEDI-CAL MANAGED CARE HEALTH PLANS¹

SUBJECT: PROPOSITION 56 DIRECTED PAYMENTS FOR FAMILY PLANNING SERVICES

PURPOSE: The purpose of this All Plan Letter (APL) is to provide Medi-Cal managed health care plans (MCPs) with guidance on directed payments, funded by the California Healthcare, Research and Prevention Tobacco Tax Act of 2016 (Proposition 56), for the provision of specified family planning services with dates of service on or after July 1, 2019.

BACKGROUND:

On November 8, 2016, California voters approved Proposition 56 to increase the excise tax rate on cigarettes and tobacco products. Under Proposition 56, a portion of the tobacco tax revenue is allocated to the California Department of Health Care Services (DHCS) for use as the nonfederal share of health care expenditures in accordance with the annual state budget process.

Assembly Bill 74 (Ting, Chapter 23, Statutes of 2019), Section 2, Item 4260-101-3305 and Senate Bill (SB) 74 (Mitchell, Chapter 6, Statutes of 2020), Section 2, Item 4260-101-3305 appropriated Proposition 56 funding to support family planning services for Medi-Cal beneficiaries, which DHCS is implementing in managed care in the form of a directed payment arrangement for specified family planning services in accordance with DHCS' developed payment methodology outlined below.² The Centers for Medicare & Medicaid Services (CMS) has approved this directed payment arrangement in accordance with Title 42 of the Code of Federal Regulations (CFR), Section 438.6(c)(2),³ for the rating periods of July 1, 2019 to December 31, 2020, and calendar year (CY) 2021.⁴ DHCS has also requested approval from CMS for this directed payment arrangement for CY 2022.

¹ This APL does not apply to Prepaid Ambulatory Health Plans or Rady Children's Hospital.

² Bills are searchable at: <https://leginfo.legislature.ca.gov/faces/home.xhtml>.

³ The CFR is searchable at: <https://www.ecfr.gov/>.

⁴ Preprint approvals are published on DHCS' Directed Payments Program website, which is available at: <https://www.dhcs.ca.gov/services/Pages/DirectedPymts.aspx>.

Subject to future budgetary authorization and appropriation by the California Legislature and the necessary federal approvals of the directed payment arrangement, DHCS intends to renew this directed payment arrangement on an annual basis for the duration of the program. The requirements of this APL may change, if required, to obtain CMS approval for this directed payment arrangement or to comport with future state legislation. Annual renewals of this directed payment arrangement will be posted to the DHCS directed Payments Program website as they become available.

This directed payment program has been crafted to enhance the quality of patient care by ensuring that Providers in California who offer family planning services receive adequate payment for their delivery of effective, efficient, and affordable family planning services. Timely access to vital family planning services is a critical component of Member and population health. In particular, this program is focused on the following categories of family planning services:

- Long-acting contraceptives
- Other contraceptives (other than oral contraceptives) when provided as a medical benefit
- Emergency contraceptives when provided as a medical benefit
- Pregnancy testing
- Sterilization procedures (for females and males)

Under federal law,⁵ “a Medicaid managed care organization, or a similar entity shall not restrict the choice of the qualified person from whom the individual may receive [family planning] services under Section 1396d (a)(4)(C) of this title...”⁶ Therefore, Members must be allowed freedom of choice of family planning Providers, and may receive such services from any qualified family planning Provider, including out-of-network Providers, without the need to obtain prior authorization. DHCS managed care contracts specify the requirements pertaining to family planning services.⁷

POLICY:

Subject to obtaining the necessary federal approvals, DHCS is requiring MCPs, either directly or through their Subcontractors, to pay qualified contracted and non-contracted

⁵ See Title 42 of the United States Code (U.S.C.), Section 1396a (a)(23)(B). The U.S.C. is searchable at: <https://www.law.cornell.edu/uscode/text>.

⁶ See 42 U.S.C. Section 1396d (a)(4)(C).

⁷ MCP boilerplate contracts are available at:

<http://www.dhcs.ca.gov/provgovpart/Pages/MMCDBoilerplateContracts.aspx>.

Providers⁸ a uniform and fixed dollar add-on amount for the specified family planning services (listed below) provided to a Medi-Cal managed care member who is not dually eligible for Medi-Cal and Medicare Part B (regardless of enrollment in Medicare Part A or Part D) with dates of service on or after July 1, 2019, in accordance with the CMS-approved preprint for this program, which will be made available on DHCS' Directed Payments Program [website](#)⁹ upon CMS approval.

MCPs are responsible for ensuring that qualifying family planning services are reported to DHCS in encounter data pursuant to APL 14-019, "Encounter Data Submission Requirements" using the procedure codes in the table below. MCPs are responsible for ensuring that the encounter data reported to DHCS is appropriate for the services being provided. MCPs must include oversight in their utilization management processes, as appropriate. The uniform dollar add-on amounts of the directed payments vary by procedure code:

Procedure Code ¹⁰	Description	Uniform Dollar Add-on Amount	Dates of Service ¹¹
J7294	CONTRACEPTIVE VAGINAL RING: SEGESTERONE ACETATE AND ETHINYL ESTRADIOL	\$301.00	1/1/2022 – Ongoing
J7295	CONTRACEPTIVE VAGINAL RING: ETHINYL ESTRADIOL AND ETONOGESTREL	\$301.00	1/1/2022 – Ongoing
J7296	LEVONORGESTREL-RELEASING IU COC SYS 19.5 MG	\$2,727.00	7/1/2019 – Ongoing
J7297	LEVONORGESTREL-RLS INTRAUTERINE COC SYS 52 MG	\$2,053.00	7/1/2019 – Ongoing

⁸ A qualified Provider is a Provider who is licensed to furnish family planning services within their scope of practice, is an enrolled Medi-Cal Provider, and is willing to furnish family planning services to a member. See Title 22 California Code of Regulations (CCR), Section 51200. The CCR is searchable at: <https://govt.westlaw.com/calregs/Search/Index>.

⁹ The preprint will be available upon approval by CMS. DHCS' Directed Payments Program website is available at: <https://www.dhcs.ca.gov/services/Pages/DirectedPymts.aspx>.

¹⁰ Services billed for the following Current Procedural Terminology codes with modifiers UA or UB are excluded from these directed payments: 11976, 11981, 58300, 58301, 55250, 58340, 58555, 58565, 58600, 58615, 58661, 58670, 58671, and 58700.

¹¹ "Ongoing" means the directed payment is in effect, subject to CMS approval and future budgetary authorization and appropriation by the California Legislature, until discontinued by DHCS via an amendment to this APL.

81025	URINE PREGNANGY TEST	\$6.00	7/1/2019 – Ongoing

The uniform dollar add-on amounts for these family planning services must be in addition to whatever other payments eligible Providers would normally receive from the MCP, or the MCP’s Subcontractors. Federally Qualified Health Centers (FQHC), Rural Health Clinics (RHC), American Indian Health Service Programs (AIHSP),¹² and Cost-Based Reimbursement Clinics¹³ are not eligible to receive this uniform dollar add-on directed payment.

Data Reporting

Starting with the calendar quarter ending June 30, 2020, MCPs must report to DHCS within 45 days of the end of each calendar quarter all directed payments made pursuant to this APL, either directly by the MCP or by the MCP’s Subcontractors. Reports must include all directed payments made for dates of service on or after July 1, 2019. MCPs must provide these reports in a format specified by DHCS, which, at a minimum, must include the Health Care Plan code, procedure code, service month, payor (i.e., MCP or Subcontractor), and the Provider’s National Provider Identifier. DHCS may require additional data as deemed necessary. All reports must be submitted in a consumable file format (i.e., Excel or Comma Separated Values) to the MCP’s Managed Care Operations Division (MCOD) Contract Manager.

¹² See MCP boilerplate contract for definitions of FQHC, RHC, and AIHSP.

¹³ Cost-Based Reimbursement Clinics are defined in Welfare and Institutions Code section 14105.24, which is located at: http://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?sectionNum=14105.24&lawCode=WIC, as well as Supplement 5 to Attachment 4.19-B of the State Plan, which is located at: <https://www.dhcs.ca.gov/formsandpubs/laws/Documents/Supplement%205%20to%20Attachment%204.19-B.pdf>.

MCPs must submit updated reports each subsequent quarter in the same format as the initial submission until the MCP considers the report to be complete. Each updated report must replace any prior reports. MCPs must submit the updated quarterly report in the appropriate file format and include an attestation that the MCP considers the report complete.

MCPs must continue to submit encounter data for the specified procedure codes as required by DHCS; however, there are no new encounter data submission requirements associated with this APL.

Payment and Other Financial Provisions

For clean claims or accepted encounters with dates of service between July 1, 2019, and the date the MCP receives payment from DHCS, the MCP must ensure that payments required by this APL are made within 90 calendar days of the date the MCP receives payments accounting for the projected value of the directed payments from DHCS. From the date the MCP receives payment onward, the MCP must ensure the payments required by this APL are made within 90 calendar days of receiving a clean claim¹⁴ or accepted encounter for qualifying services, for which the clean claim or accepted encounter is received by the MCP no later than one year after the date of service. MCPs are not required to make the payments described in this APL for clean claims or accepted encounters for applicable family planning services received by the MCP more than one (1) year after the date of service. These timing requirements may be waived only through an agreement in writing between the MCP (or the MCP's Subcontractors) and the affected Provider.

As required by the MCP contract for other payments, MCPs must have a formal procedure for the acceptance, acknowledgment, and resolution of Provider grievances related to the processing or non-payment of a directed payment required by this APL. In addition, MCPs must have a process to communicate the requirements of this APL to Providers. This communication must, at a minimum, include a description of how payments will be processed, how to file a grievance, and how to determine who the payor will be.

Subject to obtaining the necessary federal approvals, the projected value of the directed payments will be accounted for in each MCP's actuarially certified, risk-based capitation rates. The portion of capitation payments to the MCP attributable to this directed payment arrangement is subject to a two-sided risk corridor. DHCS will perform the risk corridor calculation retrospectively and in accordance with the CMS-approved preprint, which will be made available on the DHCS' Directed Payments Program [website](#) upon CMS approval. The parameters and reporting requirements of the risk corridor

¹⁴ A "clean claim" is defined in 42 CFR section 447.45(b).

calculation will be specified by DHCS in a future revision of this APL or other similar future guidance.

If the requirements contained in this APL, including any updates or revisions to this APL, necessitate a change in an MCP's policies and procedures (P&Ps), the MCP must submit its updated P&Ps to its MCOD contract manager within 90 days of the release of this APL. If an MCP determines that no changes to its P&Ps are necessary, the MCP must submit an email confirmation to its MCOD contract manager within 90 days of the release of this APL, stating that the MCP's P&Ps have been reviewed and no changes are necessary. The email confirmation must include the title of this APL as well as the applicable APL release date in the subject line.

MCPs are responsible for ensuring that their Subcontractors and Network Providers comply with all applicable state and federal laws and regulations, contract requirements, and other DHCS guidance, including APLs and Policy Letters.¹⁵ These requirements must be communicated by each MCP to all subcontractors and network providers. If you have any questions regarding this APL, please contact your MCOD Contract Manager.

Subject to future budgetary authorization and appropriation by the California Legislature and CMS approval of the directed payment arrangement, DHCS intends to renew this directed payment arrangement on an annual basis in future years. Please note that the requirements of this APL may change if required for CMS approvals applicable to this directed payment arrangement or as required in future budgetary authorization and appropriation by the California Legislature.

If you have any questions regarding this APL, please contact your MCOD Contract Manager and Capitated Rates Development Division Rate Liaison.

Sincerely,

Original Signed by Dana Durham

Dana Durham, Chief
Managed Care Quality and Monitoring Division

¹⁵ For more information on Subcontractors and Network Providers, including the definition and applicable requirements, see APL 19-001, and any subsequent APLs on this topic.
